

Eleiko 1957 Sweatshirt, Unisex, Red, M

The 1957 Sweatshirt pays tribute to the early years of lifting when the first rubber bumpers and the iconic Olympic colour palette debuted. Crafted from durable diagonal knit organic cotton, the crewneck sweatshirt won't shrink or pill, and the vintage vibe is enhanced with each wash and wear. Unisex sizing and athletic cut ensure all day comfort. Wear it for warmup on a cold training day or showcase your passion for lifting in your everyday life.

Features

Distinctive details

Crossed flatlock seam at the neck, half-moon construction at the back, and elastic rib construction at the cuff and hem ensure a great fit and overall performance.

Relaxed athletic fit

Unisex sizing ranges from XXS to 3XL, so you can find the look you like best and layer as you see fit.

Heritage Eleiko Logo

Pulled from our archives and refreshed for today, the Heritage Logo celebrates the early years in lifting. Each piece also features an Eleiko patch at the hip, signifying the piece is part of the heritage collection.

Organic cotton

The Heritage collection is cut from sustainably sourced durable diagonal knit organic cotton designed to wear well and last a long time.
