

# Eleiko Weightlifting Singlet, Men, M

- ✓ Performance fabric
- ✓ Moderate compression
- ✓ Wide sizing range
- ✓ Comfortable flat seams

Eleiko Weightlifting Singlet was designed and rigorously tested for the ultimate lifting experience. Performance fabrics deliver superior strength, abrasion resistance, and wear resilience. A wide range of sizes and details, such as a full-length gusset, ensures an optimal fit, while silicon grip strips at the thigh keep the singlet in place so you stay focused on your lifts.
