

Eleiko Prestera Customization Plate, Stainless, ELEIKO

Add the Customization Plate to any Prestera Rack to add a personal touch to your strength station. Include a UV-print logo or a message tailored towards your athletes and members. With it's angled placement, the sign faces the lifter and can be used as a tool for building community and familiarity.

Features

Designed For

Customizing racks in the Prestera System.

Lifter Perspective

With its angled placement, messaging is directed at the lifter
