

Eleiko Prestera Customization Plate, Stainless, ELEIKO

Add the Customization Plate to any Prestera Rack to add a personal touch to your strength station. Include a UV-print logo or a message tailored towards your athletes and members. With it's angled placement, the sign faces the lifter and can be used as a tool for building community and familiarity.

Features

Designed for
Customizing racks in the Prestera System.

Easy to Mount
Simply bolt plates in place between the top of the uprights

Lifter Perspective
With its angled placement, messaging is directed at the lifter
