

Eleiko GHD Knee Pad

Black/PUR

The support cushions can be bolted in one of two positions that are set 40mm apart near the curved hip pads to add extra support and facilitate GHD entry and exit by giving the user a comfortable place to set their knees when getting into position. The cushions are supple and durable, capable of standing up to the rigorous demands of today's busy facilities.

Features

Designed For
Facilitating GHD entry and exit

Improved Experience
Give user a more comfortable experience with added support

Cushion Options
Select our unique PUR cushions for a modern, durable, easy to clean option or Skai cushions for a more traditional look that is supple and wears well.
