Eleiko GHD Knee Pad

Black/Skai Black

The support cushions can be bolted in one of two positions that are set 40mm apart near the curved hip pads to add extra support and facilitate GHD entry and exit by giving the user a comfortable place to set their knees when getting into position. The cushions are supple and durable, capable of standing up to the rigorous demands of today's busy facilities.

Funktioner

Designet til
Facilitering af GHD-adgang og udgang

Forbedret oplevelse
Giv brugere en mere komfortabel oplevelse med ekstra støtte

Muligheder for pude
Select our unique PUR cushions for a modern, durable, easy to clean option or Skai cushions for a more traditional look that is supple and wears well.

GHD-tilbehør
