

Eleiko Prestera Pro Kettlebell Shelf- Black

- ✓ Flexible Storage Solution
- ✓ 3 mm protective shelf liner
- ✓ Hold up to 300 kg

Designed exclusively for the Prestera Strength System, the Eleiko Pro Kettlebell Storage Shelf is available in a 1072mm length. It features a 3mm knurled rubber pad to dampen noise and protect equipment when racking and unracking kettlebells. To help keep spaces organized, we offer weight range decals that can be added to the shelf edge to mark where kettlebells should be placed. No fasteners included, if used with rigs/racks, make sure to also add skrew kit 2001875 to the order.

Features

Compatibility

Can be integrated into any Prestera Rack or Rig solutions or built as standalone storage units using the Prestera Storage Leg options and the Eleiko Two Tier and Three Tier Storage Legs (DB & KB Rack).

Easily Integrated

The shelf does not obstruct other attachments and can be set at the desired height using the included bolts. Use the shelf adapters when combining the shelf with a Prestera Cable Attachment.

Durable Construction

The steel shelves feature a matte black textured powder coat and a long-lasting 3mm protective rubber mat to dampen noise and protect kettlebells.

Storage Capacity

The Pro Kettlebell Shelf comfortably fits four competition kettlebells. For training kettlebells, the quantity depends upon the size and weight of the kettlebell.
