

Eleiko Angled Leg Support

Black - 1 pcs

Angled Leg Supports are used when building Multi-station Eleiko Cable configurations. Every multi-station needs four points of contact between cable station and leg supports, add the appropriate number of legs based on the design to maintain the four points of contact. Select from the single leg or a pair of legs as needed.

Specifications

Unit of measurement
Sold individually

Article code
2001925-03S

Length
622 mm / 24.49 in.

Width
82 mm / 3.23 in.

Height
390 mm / 15.35 in.

Weight
13 kg / 28.66 lbs

Warranty
1-10 years

Colour
Black
