

## Stickers Dumbbell Rack 2 x 22-30kg

Order these Eleiko Weight Number Decals in the ranges and weight markings to meet your needs. The decals help ensure dumbbells are racked in the right place, keeping training spaces tidy and organized. The decals are available in kg and lb ranges that match our Eleiko Evo and Plate Dumbbell weight increments. Eleiko Pro Dumbbell shelves feature a recessed spot designed to house and protect the laminated decals. They can be used on both versions of the Eleiko Dumbbell shelves and fit on the front face of the kettlebell shelf. These decals are an add-on and need to be purchased separately in quantities that are appropriate for your needs.
