

Eleiko IPF Powerlifting Competition Barbell Collars

pair

Eleiko Powerlifting Competition Collars are carefully calibrated, IPF certified and beautifully designed chromed metal collars. Made for professional powerlifting, and ready for competition, the collars feature a ridged surface to ensure a secure grip when handling and are easy to operate with a quick turn screw fastening system to tighten down collars and keep discs in place. A protective inner liner is gentle on equipment, and a smart rubber inset prevents collars from "locking up."

Features

Designed for
Securely fastening plates on bar while powerlifting

Secure Grip
Collar's ridged surface ensure grip won't slip

Collar Weight
Collars add 5 kg to overall weight on bar when in use and is carefully calibrated to within +10 g / - 0 g for each 2500 g collar.
