

# Eleiko Technique Plates

LBS

Our unique full-size technique discs are ideal for beginner and youth lifters. They feature a proprietary rigid plastic, hollow design and moulded construction to ensure discs are quiet in use and last a long time. The distinctive design includes a deep rimmed edge facilitating a firm grip for easy and safe handling, bar loading and unloading. The collection is available in stylish matte colours and pairs perfectly with our 5 kg and 10 kg Technique Bars.

## Features

### Designed For

Developing and practising technique

### Deep Rimmed Edge

Wide deep rim around disc perimeter ensures a solid grip and secure handling

### Quiet and Long Lasting

Proprietary blend of recycled plastics is quiet in use and exceptionally durable

### Back to Basics

Lightweight lifting enables focused technique work and appropriate progression.

### Easy Weight Identification

Stylish matte colour scheme allows for easy weight identification
