

Eleiko XF Flat Bench

- ✓ For Functional Fitness
- ✓ Durable Powdercoat

An essential in Eleiko's XF product range, the durable XF Flat Bench is built from a tough powder coated steel that is lightweight enough to move around your training space yet sturdy in use. Rubber end caps and feet protect floors, and the long-lasting cushion is comfortable and supportive while lifting. The Eleiko XF Flat Bench provides a solid foundation for athletes regardless of their size or exercise performed.

Features

Designed For

Seated and prone free weight and barbell exercises.

Angled Leg Design

The angled legs give a broader base of support and ensure bench stability.

Floors Protected

Rubber foot pads and end caps protect floors and keep the bench firmly in place.
