

Eleiko Plyo Box

coned. 90 cm, used

This product is part of our pre-lifted collection. We thoroughly inspect pre-lifted products to verify they are fully functional and in good working order. However, pre-lifted products may show signs of wear and are sold as is. Boxes for plyometric training such as jumping up-and-down and or performing step-ups. Different box heights make it possible to train with varying intensity or give options for different abilities. The Eleiko Plyo Boxes are equipped with handles for easy handling and relocation and can be stacked to save space when stored.
