

# **Eleiko IWF Weightlifting Competition Bar**

20 kg, men

Designed specifically for competitive Olympic weightlifting and certified by the International Weightlifting Federation (IWF), the Eleiko Competition Bar is for professional and competitive lifters. The bar has extremely tight tolerances and aggressive knurling suited for one rep max attempts. Crafted with precision in Sweden, we combine the finest materials along with 60 years of barbell manufacturing expertise to craft this unrivalled competition bar.
