

Fixed, 90 lbs

Evo Dumbbells embody Eleiko's commitment to quality craftsmanship and durable design and provides unrivalled performance in high-volume, heavy-usage environments. Our distinctive knurl pattern and chromed handles ensure an excellent grip for dumbbell training. We carefully considered the design introducing features such as a multi-sided head design, sloped head shape, and embossed weight markings that will appeal to lifters and facility owners alike.

Evo Dumbbells are designed for whole-body free weight strength and functional training.

Multi-Sided Design The multi-sided heads prevent dumbbells from rolling away uncontrolled.

## **Robust Design**

Durable polyurethane minimises signs of wear and tear and keeps dumbbells looking like new.

## **User Friendly**

Clearly printed numbers and well-spaced weight increments make the dumbbells appropriate for all users in a facility.

## **Refined Knurling**

Durable chromed steel with refined knurling ensures a secure, comfortable grip handle.
