

# Eleiko Evo Dumbbell

## Rotating, 50 lbs

- ✓ **Smooth Rotating**
- ✓ **Multi-sided head design**
- ✓ **Stainless Steel Grip**

The award-winning rotating Evo Dumbbells deliver unrivalled performance. Inspired by our roots in lifting, we use our barbell manufacturing expertise to introduce an innovative handle design that provides an incredibly smooth rotation. We emphasised durability in design and materials selection and incorporated an innovative patented handle design and features to promote user comfort and safety. We verified its performance with thorough testing.

## Features

### Designed for

Eleiko Evo Dumbbells are designed for free weight strength and functional training and are particularly well suited for explosive movements such as dumbbell snatches.

### User friendly

A multi-sided head design, sloped head shape, embossed weight markings, and well-spaced increments deliver performance that will appeal to lifters and facility owners alike.

### Refined Knurling

Durable stainless steel and refined knurling ensure a secure, comfortable grip.

### Robust Design

Durable polyurethane minimises signs of wear and keeps dumbbells looking new year after year.

## Specifications

**Unit of measurement**
Sold individually

**Article code**
3060993-0500

**Length**
314 mm / 12.36 in.

**Weight**
22,68 kg / 50 lbs

**Warranty**
5 years

**Head diameter**
180 mm / 7.09 in.

**Length**
330 mm / 12.99 in.

**Grip length**
130 mm / 5.12 in.

**Grip diameter**
38 mm / 1.5 in.
