

# Eleiko Performance Powerlifting Bar

20 kg

The Performance Powerlifting Bar is precision crafted from ultra-strong Swedish steel and the sleeves are constructed with resilient bronze bushings. The grip is aggressive, sharp enough to give full control without becoming uncomfortable, especially during higher volume training sessions.

## Features

### Grip Markings

Bar features markings for powerlifting.

### Knurling

Aggressive grip to ensure a secure hold on the bar

### Designed for

Powerlifting and strength training
