

Eleiko Adjustable Bench

Black/PUR

The Eleiko Adjustable Bench provides a solid foundation for a wide range of free weight exercises. The backrest can be adjusted to seven positions, from -10 decline to a 75-degree incline in 15-degree increments. The seat pad offers three positions from flat up to 30-degree incline in increments of 15 degrees. A knurled handle and two adjustment knobs are secure to grip and easy to operate. Select our unique PUR cushions for a modern aesthetic or Skai cushions for a more traditional look and feel. Rubber feet and end caps protect gym floors and keep the bench securely in place. Bolt down holes can be used for added stability.

Features

Designed for
Seated and horizontal free weight and barbell exercises

Adjustable Pads
3 seat positions and 7 back pad positions offer a wide range of possibilities

Cushion Options
Select our unique PUR cushions for a modern, durable, easy to clean option or Skai cushions for a more traditional look that is supple, yet wears well.
