Eleiko Flat Bench

Black/Skai Black

Eleiko's flat bench is designed for seated and horizontal free weight and barbell exercises. A knurled handle and wheels allow for easy portability, but the bench also includes bolt down holes for added stability. Rubber feet and end caps protect floors, while the polyurethane pads are hygienic, durable, and easy to maintain. The Eleiko Flat Bench has no loose parts and a smooth cushion-to-frame integration, improving the user experience and providing peace of mind for the operator.

Features

Designed for
Seated and horizontal free weight and barbell exercises

Cushion Options
Select our unique PUR cushions for a modern, durable, easy to clean option or Skai cushions for a more traditional look that is supple, yet wears well.

Hassle-Free to Own and Use
No loose parts and smooth cushion-to-frame integration
