

Eleiko Resistance Band, Level 7

Black

- ✓ **Durable rubber**
- ✓ **Colour-coded**

Add resistance to bench presses, squats, rehab and mobility work with Eleiko Resistance Bands. Made from durable rubber, the resistance bands are versatile must-haves for any facility or home gym.

Features

Durable Rubber
Made to last with durable rubber, branded with an Eleiko logo.

Individual or Set
The Eleiko branded bands are available individually or in a set of four pcs (extra light to heavy) so you can select what best meets your training needs.

Band Sizing
All Eleiko Power Bands measure 1040 mm in length, with a width and thickness that varies depending on the resistance.

Colour Coded
The extra light through heavy band colours are aligned with the Olympic colour palette to match our plates, the extra heavy and beyond are grey or black depending on the resistance level
