

# Precor SCL 835 StairClimber

## P31 Console - Black Pearl

The Precor SCL® 835 far exceeds the status quo and invites you to step up to an experience that will delight. Made from durable, high-performance parts and tested beyond industry standards, the StairClimber is built for reliability. The thoughtful design prevents sweat, dirt, and fluid ingress to deliver an ultra-smooth operation and effective cleaning in a single pass. It invites exercisers to step on and off with ease, exercise with confidence, and stay motivated with engaging content.

### Features

#### Dynamic Step Control

The Dynamic Step Control™ system, with an industry-leading tolerance of +/- 0.5 steps per minute, ensures an accurate, consistent step rate, whether slow or fast, for exercisers of all sizes.

#### Low Maintenance Step Chain

To decrease downtime, service panels can be removed in under two minutes to access the O-ring motorcycle step chain. Constructed of high-strength steel, the step chain requires only an annual inspection, and lubrication about every 3 years, providing quiet operation for years.

#### Tested Beyond Industry Standards

The StairClimber has exceeded industry standards, withstanding over 30 different tests, conducted over 10,000 hours in the lab and field for reliability that operators can trust.
