

Precor TRM 731 Treadmill

P31 Console - Black Pearl

The insight-driven design of the TRM 731 delivers the same reliability, performance and efficiency that Precor is known for at a budget-friendly price. Built for high use on our commercial platform, this treadmill sacrifices nothing in longevity, standing up to the high usage in your facility – making it a money-saving valuable investment. Features such as the Active Status Light make it easy to maintain for any of your staff members and decreases product downtime. At the same time, the TRM 731 delivers a consistent Precor feel and comfort for your exercisers. The P31 LED console provides exercisers with essential workout metrics for an effective fitness experience.
