

# Precor Discovery Plate-Loaded Leg Extension

## Black Pearl/Black

The Discovery Series Plate Loaded Leg Extension features independent movement arms to allow for greater balance and muscle engagement. The lower starting weight and balanced strength curve help to provide natural resistance through the full range of motion. Strength equipment is a long-term investment and with the Discovery Series from Precor, you can make your strength purchase decision with confidence. With a full range of products that are approachable and intuitive, perform for exercisers of all ability levels, and will withstand the test of time, the Discovery Series is the straightforward strength solution you've been looking for.

## Features

### Independent Movement Arms

Independent movement allows for greater balance and muscle engagement, while the balanced strength curve provides natural resistance through the full range of motion.

### Back Pad Adjustments

The spring-assisted back pad adjusts easily from the seated position, making it easy and comfortable for exercisers to get the right fit.

### Instructional Placard

Easy-to-understand, large, text-free illustrations demonstrate correct form at a glance and a QR code links to a helpful 30-second instructional video.
