

Precor TRM 885 Treadmill

P82 Console - Black Pearl

TRM 885 is a valuable addition to your facility with its reliability and user-friendliness. It provides a personalized feel for every step and offers a quiet and efficient training experience. Its thoughtful design and performance create a natural sensation, and when combined with the P82 touchscreen console and its smart solutions like the Smart Watch Connector for Apple Watch®, it becomes a complete and convenient training solution for the customer. TRM 885 is also equipped with a status indicator that provides quick information to you and your staff about the operating conditions of your treadmill and when it's time for preventative maintenance.
