

Precor Discovery Smith Machine

Black Pearl

The bold, sleek design of the Discovery™ Series Smith Machine features high head clearance and a clean, walk-through design. The 11-degree angle of the Smith Machine and innovative bar design produce a smooth, natural feel and an exceptional user experience.

Funktioner

Walk-Through Design

The bold open design of the Discovery Series Smith Machine provides a welcoming statement for all exercisers, with an 80 inch head clearance.

Lav startvægt

With no counter balance, the Smith Machine offers a low start weight creating a more realistic weight lifting experience. This also reduces high wear parts, increasing the life of the unit.

11 Degree Frame Angle

The precise angle of the Smith Machine frame optimizes the body's natural movement path for proper squat form.
