

# Precor Discovery Smith Machine

Black Pearl

The bold, sleek design of the Discovery™ Series Smith Machine features high head clearance and a clean, walk-through design. The 11-degree angle of the Smith Machine and innovative bar design produce a smooth, natural feel and an exceptional user experience.

## Features

### Walk-Through Design

The bold open design of the Discovery Series Smith Machine provides a welcoming statement for all exercisers, with an 80 inch head clearance.

### Low Start Weight

With no counter balance, the Smith Machine offers a low start weight creating a more realistic weight lifting experience. This also reduces high wear parts, increasing the life of the unit.

### 11 Degree Frame Angle

The precise angle of the Smith Machine frame optimizes the body's natural movement path for proper squat form.
