Walk-Through Design

The bold open design of the Discovery Series Smith Machine provides a welcoming statement for all exercisers, with an 80 inch head clearance.

Lav startvekt

With no counter balance, the Smith Machine offers a low start weight creating a more realistic weight lifting experience. This also reduces high wear parts, increasing the life of the unit.

11 Degree Frame Angle

The precise angle of the Smith Machine frame optimizes the body's natural movement path for proper squat form.
