

Precor TRM 761 Treadmill

P62 Console - Black Pearl

TRM 761 is a reliable and user-friendly treadmill that combines touchscreen technology with great value. The P62 touchscreen console offers a personalized viewing experience and internet options on a 10-inch screen, allowing users to customize their workouts by bookmarking favorite selections for future use. Its design is sleek and minimalist while being capable of heavy commercial use. The treadmill also features a high-performance AC motor drive system that enhances performance and reliability, along with a Ground Effects® Impact Control System that provides optimal cushioning and stability. TRM 761 includes an active status indicator that provides quick information to you and your staff about operating conditions and when it's time for preventative maintenance.
