

# Precor Vitality Tricep Extension

Black Pearl/Black

The Precor Vitality™ Series Tricep Extension machine offers a precise, biomechanically sound workout that targets and strengthens the triceps. Designed with user-friendly adjustments and smooth motion, it enables controlled, effective training for athletes at any level. Crafted for durability and performance, this machine ensures a safe and engaging training experience, session after session.

## Funktioner

### Biomechanically Optimized for Effective Training

Engineered with an angled arm path and adjustable seat, the Triceps Extension promotes proper body alignment, maximizing muscle engagement while minimizing strain.

### Durable Construction for Long-Term Use

Built with a sturdy steel frame and premium components, the Triceps Extension delivers consistent performance, making it a valuable addition to any high-traffic gym environment.

### Easy Adjustments for Customized Fit

With simple, intuitive adjustments for seat height and starting position, this machine is accessible and comfortable for users of various sizes, enhancing workout personalization.
