

# Eleiko Performance Weightlifting Bar

20 kg

The Performance Weightlifting Bar is made in Sweden and delivers the performance and quality you can rely on. Designed for explosive Olympic lifting, the steel is strong yet flexible and a great bar for anyone serious about high performance in sports and strength and conditioning. Precision needle bearings, an inner race and dustproof seal ensure weight moves smoothly under load and at high speeds, while the refined knurling provides a grip suited for high-performance training.
