

# Eleiko Weightlifting Competition Safety Barrier

## Charcoal

Safety barriers are a critical part of every competition ensuring judge and spectator safety. Eleiko's new IWF specified safety barriers feature an adjusted assembly process for ease of use and transport, a lower, more stable profile, an updated surface finish, and new Eleiko branding enhancing the barriers visual appeal.

### Features

3 mm thick steel tubing will withstand impact

### Specifications

**Unit of measurement**  
Sold individually

**Article code**  
3070110-060

**Length**  
5000 mm / 196.85 in.

**Width**  
202 mm / 7.95 in.

**Height**  
200 mm / 7.87 in.

**Weight**  
60 kg / 132.28 lbs

**Warranty**  
2 years

**Colour**  
Charcoal/Black

**Certification**  
IWF

**Bolt Down**  
Bolt down brackets
