

Eleiko IWF Weightlifting Training platform, 3 x 2,5m

Eleiko's Training Platform has been updated with a new frame featuring a distinctively curved steel tubing and cast corners for enhanced durability, stability, and visual appeal. The deck is constructed from birch wood with a long-lasting thermoplastic layer on top that provides great traction and enduring performance. Our high-quality rubber tiles complete the platform with an exceptionally durable, odour-free lifting zone.

Features

Designed For

Weightlifting training

Ideal Lifting Surface

Textured rubber surface over wood for great traction

Lessen the Impact

High quality odour free rubber mats are shock and sound-absorbing

Certified

Platform is certified by the IWF
