

# **Eleiko IWF Weightlifting Competition Plate**

25 kg

- √ IWF Competition Certified
- √ Exceptional durability
- √ Patented ImpactDISC

Eleiko IWF Competition Plates set a new standard for performance and durability utilizing our proprietary SBR rubber, a new patented design which distributes impact force, and precision engineered zinced steel hubs. The plates are thinner to support heavier lifts and designed with a rounded edge for easier handling.

# **Funktioner**

# **IWF Certified**

Approved by the International Weightlifting Federation for competition use, verified by IWF logo.

#### **Record Setting Lifts**

Redesigned with a thinner profile to support athletes with record setting lifts.

# **Easier to Handle**

A bigger edge radius makes it easier to pick up the plate from the platform or floor and the grooved rim supports a firm grip for better handling.

# **Unmatched Durability**

The new patented design and construction drastically improves plate longevity.

#### **Plate Specifications**

The plates measure 450mm in diameter with a 50.5mm (+-0.05) centre hole for a precise and secure fit on the bar sleeve and are calibrated to IWF specifications.
