

Eleiko Classic Squat Stand

Charcoal

This 3-1 powerhouse supports squats, bench press and dips in a single compact footprint. Bench hooks and j cups feature built-in polyurethane rollers to protect the bar knurling and allow lifters to adjust the bar while loaded for optimal positioning. Generous dip handles, adjustable width and height, and distinctive design details make this versatile piece a must-have for a home gym or training facility.

Features

Designed for
Racking and holding bar between squats, bench press and dip sets

Attention to Detail
