

Eleiko Prestera Half Rack Frame

Black

Start with the Prestera Half Rack as a foundation for building a versatile, compact strength training space. The rack geometry — made from robust 70x70 mm (3mm) steel — strikes the optimal balance giving users more room to comfortably grasp and safely lift and rack the barbell while also supporting record setting lifts.

Features

Optimized Geometry

Sturdy steel uprights are spaced to support both bench press and squat allowing for less rack interference from the outside and more room for lifters inside the frame without compromising load capacity.

Stable Foundation

Hidden bolt down holes minimizes trip hazards, provide stability while maintaining the half rack's sleek appearance.

Compatibility

Designed for use with attachments in the Prestera System.

Platform Compatibility

Compatible with the SVR Insert Platform for Prestera Half Rack (3085517-03)
