

Eleiko Weightlifting Competition Plate Rack

Charcoal

The Eleiko Weightlifting Competition Plate Rack combines a visual upgrade with useful design details to create an enhanced product and user experience. The base construction and shape of the plate dividers make handling, unloading and re-racking plates easier. The design facilitates systemized plate storage as each slot is sized specifically to accommodate the differing plate widths ensuring a secure fit and that weights are stored in the appropriate spot. The competition plate rack holds the full competition plate range including four 25 kg, one 20 kg, one 15 kg, one 10 kg, and one of each 5 kg through 0.5 kg along with one competition collar, keeping competition equipment well organized for swift and orderly loading and unloading.
