

Eleiko WPP0 Powerlifting Competition Plate Rack-Charcoal

The Eleiko WPP0 Powerlifting Competition Plate Rack features a new modern design profile and conveniently stores plates and collars for use on the competition stage. The base construction and shape of the plate dividers make handling, unloading and re-racking plates easier. The design facilitates systemized plate storage as each slot is sized specifically to accommodate the differing plate widths ensuring a secure fit and that weights are stored in the appropriate spot. The rack holds one 50 kg, five 25 kg, and one 20 kg, 15 kg, 10 kg, 5 kg, 2,5 kg, 2 kg, 1,5 kg, 1 kg, 0,5 kg, 0,25 kg PL metal plates, along with the collars. For every competition set up, two racks are required to be placed on each side of the competition platform.

Features

Designed For

Competitive para powerlifting

Competition Ready

Two racks are required for competition, one for each side of the platform

Improved Functionality

Specifically sized slots ensure weights are stored in the appropriate place

User Friendly Design

Base and plates divider design make plates easier to grasp, load and unload
