

Eleiko WPP0 Powerlifting Bench Press

Charcoal

- ✓ Made in Sweden
- ✓ Competition certified
- ✓ Para powerlifting bench

Eleiko's custom-designed para powerlifting bench press meets World Para Powerlifting Organization standards and the unique requirements of its competitive athletes. The bench transitions from a wide bench below the torso to a standard bench to best support athletes. Firm padding delivers a durable surface that is comfortable and optimized for lifting. The user-friendly design features knurled stainless steel adjustment knobs that are comfortable to grasp and easy to operate. This bench is ready for the competition stage with clean lines, chromed safety arms and knock-down construction for easy transport and assembly. Adjustable safety features ensure athletes are protected during each lift and velcro straps are available as an accessory if needed.
