

Eleiko Prestera Power Rack Frame

Black

Start with the Prestera Power Rack when looking to create smartly designed strength training station with enhanced safety features and more room for attachments to support a variety of training needs. The rack geometry — made from robust 70x70 mm (3mm) steel — strikes the optimal balance giving users more room to comfortably grasp and safely lift and rack the barbell while also supporting record setting lifts.

Features

Optimized Geometry

Sturdy steel uprights are spaced to support both bench press and squat allowing for less rack interference from the outside and more room for lifters inside the frame without compromising load capacity.

Stable Foundation

Hidden bolt down holes minimizes trip hazards, provide stability while maintaining the half rack's sleek appearance.

Compatibility

Designed for use with attachments in the Prestera System.

Platform Compatibility

Compatible with standard Insert Platform - Power Rack

Specifications

Article code
BD-1-276

Length
2444 mm / 96.22 in.

Width
1212 mm / 47.72 in.

Height
2353 mm / 92.64 in.

Weight
170,04 kg / 374.87 lbs

Warranty
6 months-10 years
