

SVR Insert Platform Prestera Power Rack

small - Black

The SVR Insert Platform is designed to seamlessly integrate with the Eleiko Prestera Power Rack, attaching snugly to the rack frame to create a complete lifting station. The insert platform features Eleiko's unique SVR technology to reduce noise and vibration while minimizing barbell bounce in the drop zone, minimizing disruption for facilities. While the same materials and technology, this platform is designed with square tubing to integrate seamlessly with Prestera Power Rack. The lifting deck is finished with a durable laminate top that provides optimal grip for tough training sessions and will stand up to high volume gym usage.

Funktioner
