

Eleiko Prestera Kettlebell Storage Shelf, 1072mm

Black, Used

This product is part of our pre-lifted collection. We thoroughly inspect pre-lifted products to verify they are fully functional and in good working order. However, pre-lifted products may show signs of wear and are sold as is. Designed exclusively for the Prestera rack series, the kettlebell storage shelf comes in lengths of 1072 mm and 1720 mm. It features a 3mm knurled rubber pad to protect kettlebells, dampen noise when racking weights and keep kettlebells securely on the shelf.
