

Eleiko Prestera J-Cup With Rollers, Pair

Black

Eleiko Prestera J-Cups with Rollers safely rack a barbell between sets. Inspired by our IPF combo bench, the J-cups feature a taller profile that offer more protection to the rack and barbell. Constructed from durable 10 mm bent steel and lasting powder coat finish, the J-cups feature polyurethane rollers to protect the bar knurling and support lateral positioning adjustments when the bar is loaded. These j-cups are designed exclusively for the Eleiko Prestera Series and are sold in pairs.

Features

Designed For
Racking the barbell

Quality Construction
Strong sturdy steel tubing and durable powder coat finish

Compatibility
Designed for exclusive use with the Eleiko Prestera System.

Protect Knurling
Polyurethane rollers protect the bar knurling and support positioning adjustments

Simple Adjustment
The j-cups can be easily positioned at any height on the upright, simply slide the pin into the upright then rotate the j-cup into position.
