

SVR Insert Platform Prestera Double Half Rack

Large - Oak Wood

The SVR Insert Platform is designed to seamlessly integrate with the Eleiko Prestera Double Half Rack, attaching snugly to the rack frame to create a complete lifting station. The full size insert platform features Eleiko's unique SVR technology to reduce noise and vibration while minimizing barbell bounce in the drop zone, minimizing disruption for facilities. While the same materials and technology, this platform is designed with square tubing to integrate seamlessly with Prestera Double Half Rack. The lifting deck is finished with a durable laminate top that provides optimal grip for tough training sessions and will stand up to high volume gym usage.
