

Eleiko Prestera Angled Pull-Up Bar

Galvanized

The Eleiko Prestera Angled Pull-up Bar mounts to a crossbar and provides options for angled grip pull-up positions so you can choose the most comfortable grip. The bar offers neutral and straight options for the grip and is designed exclusively for the Prestera system. The rustproof galvanized finish delivers long-lasting performance outdoors.

Features

Designed For

Use the Angled Pull-up Bar to train and build upper body strength in a Prestera strength training station.

Various Grip Options

The pull-up bar offers straight grip positions for pull-ups and chin-ups for tailored training.

For Outdoor Training

Eleiko galvanized steel products are rustproof and designed for long-lasting performance in any climate.

Compatibility

Designed for exclusive use with the Eleiko Prestera System.
