

Eleiko Prestera Dip Module

Galvanized

Create a secure station for building upper body strength with the Prestera Dip Module. Attaching to the upright at any height and held in place with a magnetic snap pin, the angled arms let you find the position that best suits your body and training needs. The rustproof galvanized finish delivers long-lasting performance outdoors.

Funktioner

Designet til

Use the dip module in a Prestera strength solution to train and build upper body strength.

Sikker fastgørelse

The included knurled magnetic pin firmly secures the attachment to the upright.

Kvalitetskonstruktion

Built from durable steel tubing with a galvanized rustproof finish designed for outdoor use in all climates.

Kompatibilitet

Udelukkende designet til brug med Eleiko Prestera-systemet.
