

Eleiko Prestera Dip Module

Galvanized

Create a secure station for building upper body strength with the Prestera Dip Module. Attaching to the upright at any height and held in place with a magnetic snap pin, the angled arms let you find the position that best suits your body and training needs. The rustproof galvanized finish delivers long-lasting performance outdoors.

Features

Designed for

Use the dip module in a Prestera strength solution to train and build upper body strength.

Secure Attachment

The included knurled magnetic pin firmly secures the attachment to the upright.

Quality construction

Built from durable steel tubing with a galvanized rustproof finish designed for outdoor use in all climates.

Compatibility

Designed for exclusive use with the Eleiko Prestera System.

Specifications

Unit of measurement
Sold individually

Article code
3085598-01

Length
655 mm / 25.79 in.

Width
522 mm / 20.55 in.

Height
271 mm / 10.67 in.

Weight
7,5 kg / 16.53 lbs

Warranty
10 years
