

Eleiko Prestera Dip Module

Galvanized

Create a secure station for building upper body strength with the Prestera Dip Module. Attaching to the upright at any height and held in place with a magnetic snap pin, the angled arms let you find the position that best suits your body and training needs. The rustproof galvanized finish delivers long-lasting performance outdoors.

Features

Designed For

Use the dip module in a Prestera strength solution to train and build upper body strength.

Secure Attachment

The included knurled magnetic pin firmly secures the attachment to the upright.
