

Eleiko Prestera Power Rack

Black

Eleiko Prestera Power Rack is a smartly designed power rack supporting a wide range of strength training needs, featuring safety beams and pair of j-cups with a protective liner and eight weight pins in three lengths for versatile storage. The rack geometry — made from robust 70x70 mm (3mm) steel — strikes the optimal balance giving users more room to comfortably grasp and safely lift and rack the barbell while also supporting record setting lifts.

Features

Optimized Geometry

Sturdy steel uprights are spaced to support both bench press and squat allowing for less rack interference from the outside and more room for lifters inside the frame without compromising load capacity.

Compatibility

Designed for use with attachments in the Prestera System.

Specifications

 Article code
 Length

 BD-1-372
 2444 mm / 96.22 in.
