

Eleiko Prestera Double Half Rack

Stainless

The Prestera Double Half Rack is the foundation for creating highly versatile dual strength training stations that maximize facility footprints. The stainless uprights deliver a performance upgrade providing tighter 25 mm hole spacing with etched numbering and a long-lasting finish optimized for gliding attachments. The rack features a straight pull-up bar, j-cups, safety arms and eight weight pins in three lengths for versatile storage. The easily adjustable J-cups have a taller profile — inspired by our IPF combo bench — with UMHW protection on the back and polyurethane rollers in the cups to protect the bar knurling and support positioning adjustments.

Egenskaper

Optimerad yta

Rackgeometrin gör det lättare att placera skivstången i racket och ger mer utrymme inuti ramen utan att kompromissa med lastkapaciteten.

Stabil grund

Hidden bolt down holes minimizes trip hazards, provide stability while maintaining the half rack's sleek appearance.

Kompabilitet

Designad för användning tillsammans med tillbehör ur Prestera-serien.

Ben i rostfritt stål

En prestandauppdatering från det pulverlackerade alternativet, 25 mm hålavstånd ger en mer precis justeringsintervall och elektrolytisk etsning bevarar stålets styrka.

Skyddar lättringen

Polyurethane rollers on j-cups protect bar knurling and support positioning adjustments

Specifikationer

Artikelnummer

BD-1-349

Längd

2444 mm / 96.22 in.

Bredd

1962 mm / 77.24 in.

Höjd

2353 mm / 92.64 in.

Vikt

20774 kg / 45799 lbs

Garanti

6 månader -10 år
