

# Eleiko Prestera Double Half Rack

Black

The Prestera Double Half Rack is the foundation for creating highly versatile dual strength training stations that maximize facility footprints. The sturdy steel tubing is finished with a matte, black textured powder coat that wears well in tough training environments. The Double Half Rack features a straight pull-up bar, safety arms, j-cups and eight weight pins in three lengths for versatile storage.

## Features

### Optimized Geometry

Rack geometry makes it easier to rack the barbell and gives more room inside the frame without compromising load capacity.

### Protect Knurling

Polyurethane rollers on j-cups protect bar knurling and support positioning adjustments

### Compatibility

Designed for use with attachments in the Prestera System.

### Powder Coat Uprights

Hard wearing powder coat uprights feature 50 mm spacing increments with laser cut numbering to accommodate a wide range of users, attachments, and training needs.

### Stable Foundation

Hidden bolt down holes minimizes trip hazards, provide stability while maintaining the half rack's sleek appearance.

## Specifications
